How to *find us*.

Menggweg 2, 5710 Kaprun. Five minutes from the glacier, ten from Zell am See.

Park **only** on the blue zones marked on the map. Cross the small bridge over the creek straight from Menggweg. [Park exactly here](#) or [here](#).

 PARK HERE  CREEK

 BRIDGE

BY TRAIN

Arriving by rail? There's a [special shuttle offer](#) from Zell am See train station that brings you straight to the door.

KEYS & ARRIVAL

We leave the house unlocked on the day of arrival. Two sets of keys sit on the kitchen table, so late arrivals are no problem at all. A quick message with your rough arrival time is appreciated.

BY BUS

The bus stops **Gasthof Mühle** and **Tauernplatz** are five minutes on foot. From Tauernplatz, take the [underpass and bridge here](#).

[SKI BUS ZELL AM SEE](#)

REGION APP

Download the **Zell am See — Kaprun** app for live mountain info, lifts, weather and bus times. [App Store](#) · [Google Play](#)

Load the summer card straight into your phone's wallet from the Zell am See — Kaprun app, and skip the ticket counter at every partner attraction.

Make yourself *at home.*

🍳 KITCHEN

Everything you need to cook is in the drawers. Dishwasher included, with detergent for the first few uses. The **coffee machine** takes beans — we leave some inside so day one is sorted. Missing something? Let us know.

🍷 BARBECUE

A charcoal grill lives on the terrace — go for it. Long summer evenings are what it's built for.

🧺 WASHING

A small **washing machine** sits in the bathroom; some powder is there too for the first wash.

🎵 MUSIC

Loudspeakers in the kitchen with a Bluetooth receiver — search for **KN330**. The controller sits next to the microwave.

🧺 TOWELS

One set per guest — one large, one small. Bed linen comes fresh on every stay.

🛏️ BEDS

Beds are made and ready. Need a **baby crib, fence or child's bed**? Just tell us in advance and we'll prepare it.

💧 WATER

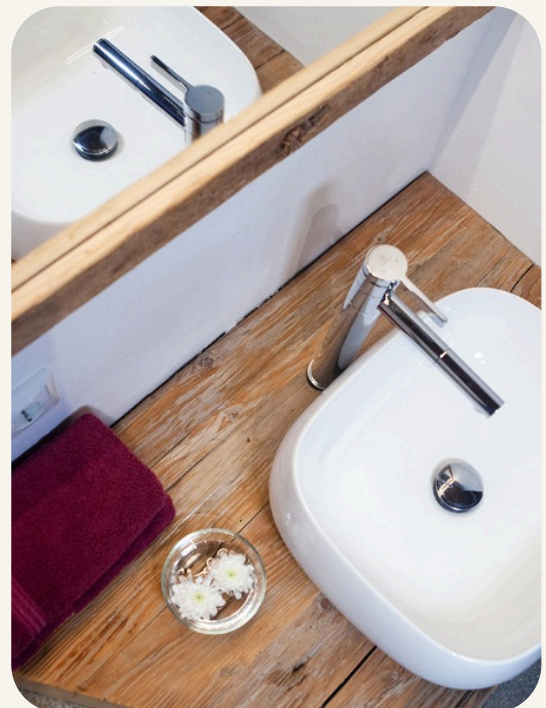

Tap water is not only drinkable — it's better than what's in the shop. Skip the plastic.

♻️ RECYCLING

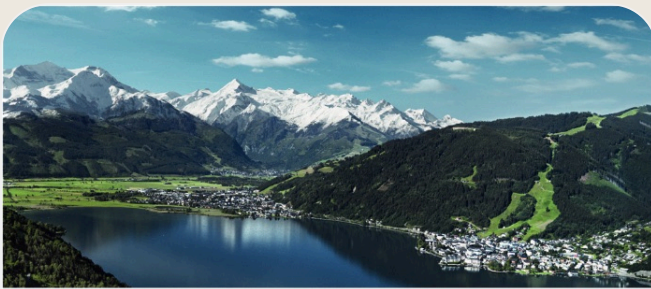

Sorting bins (organic, glass, plastic, paper, residual) live behind the house.

🚭 NO SMOKING

The house is strictly non-smoking. The fire alarm reacts quickly; outdoors is welcome.

Bread, lakes & *long evenings.*
